

Department of Civil Engineering

ONE-DAY NATIONAL WORKSHOP ON

# Advances in Civil Engineering

7TH JANUARY, '23 (SAT)

## ABOUT

### The Department

The Department of Civil Engineering has been in existence since the inception of Mahindra University (formerly Mahindra Ecole Centrale) in 2014. The faculty in Engineering is committed in delivering knowledge and expertise in a wide spectrum of Civil Engineering and are actively involved in research that caters to the societal needs in general. Besides high-quality teaching and research, the department is actively involved in consultancy collaboration in collaboration with several industries .

## THE

### Model Expo

The Model Expo will allow students to have a healthy competition in their technical knowledge such as construction, environmental, geotechnical, structural, transportation, and, water resources engineering. The participant needs to construct Civil Engineering models with the available materials. All the models will be displayed in the workshop, and evaluated by the technical committee based on creativity, precision, and technical knowledge. The winners will be awarded a Cash prize and Certificate.

### Who can participate?

This workshop is open to Diploma students from polytechnic colleges.

## ABOUT

### The Workshop

Department of Civil Engineering, Mahindra University (MU), Hyderabad is conducting a National workshop on Advances in Civil Engineering. The workshop will have Expert talk series on Advances in Civil Engineering and Model Expo by students. This program aims to bring Diploma students to an open forum to deliver and demonstrate the latest advances in the field of civil engineering.
