Leading with Emotional Intelligence

Follow us on

Overview

The "Leading with Emotional Intelligence" programme delves into the crucial aspect of success in today's world – the ability to garner support, agreement, and engagement from those working alongside you.

Emphasizing the significance of persuasive and influential skills, the program focuses on how leaders equipped with emotional self-awareness and self-control can foster support and engagement within their teams and communities. Recognized as more empathetic, positive, and adaptable, emotionally intelligent leaders possess the desirable skill of influence, utilizing it effectively to accomplish tasks effortlessly.

Through this programme, participants gain a comprehensive understanding of Emotional Intelligence, along with key frameworks and tools to develop this essential skill. Facilitated by a highly experienced instructor, a Master Certified Coach and Master Neuro Linguistic Programmer, the programme draws on a wealth of global experiences working with multinational corporations and individuals. It aims to empower participants to cultivate effective relationships, inspire people, inspire action, enhance team productivity, and ultimately become adaptive leader.

Learning Outcomes

- ▶ Develop self-awareness, self-control, and the ability to recognize how personal feelings impact performance.
- ▶ Reflective learning from experience: Open to candid feedback, new perspectives, continuous learning, and self-development
- ▶ Present oneself with self-assurance, cultivating a strong 'presence,' while concurrently developing social awareness and enhancing social skills
- ▶ Display attentiveness to emotional cues, exhibit active listening skills, and demonstrate sensitivity by understanding others' perspectives.

For Whom

The "Leading with Emotional Intelligence" programme is designed for a diverse spectrum of individuals spanning various professional fields and leadership roles. It holds particular relevance for managers, executives, and team leaders aspiring to establish a positive and collaborative work environment. This programme resonates with individuals who grasp the importance of nurturing robust interpersonal relationships, mastering effective communication, and cultivating self-awareness in leadership..
