### Admission Notification for B.A., LL.B. (Hons.), BBA,LL.B.(Hons.) and B.Tech,LL.B.(Hons.) Programmes (Academic Year 2026-27)

**Mahindra University (MU)** Hyderabad's newly established School of Law will be offering integrated five-year programs in **B.A., LL.B. (Hons.), BBA,LL.B.(Hons.)** and a 6 year **B.Tech,LL.B.(Hons.)** program

Sponsored by Mahindra Educational Institutions (MEI), a subsidiary of Tech Mahindra, the flagship IT company of the Mahindra Group, Mahindra University's purpose is '**To educate future citizens for and of a better world**'.

MU's overarching **Vision** is to

- Train multi-skilled leaders capable of reflection as well as innovation, committed to inclusive and sustainable progress
- Aim for interdisciplinary academic excellence by integrating the study of science and technology with liberal arts in the sense covering humanities, ethics and philosophy, and design thinking
- Balance education with experience through entrepreneurial projects to solve complex challenges facing society.

An international faculty roster, possessing a rich industry-academic background, global exposure and research focus, ensures that the curriculum remains contemporary, constantly evolving, and aligned to the global business and industry requirements.

### **Program Overview – School of Law:**

**BBA,LL.B.(Hons.):** The Bachelor of Business Administration and Bachelor of Law (Honors) is an undergraduate integrated program to focus on interrelationship of Management Studies and Law. Besides, the Fundamentals of Management, Financial Accounting, Effective Communication, and Computer Application are some of the main subjects of the business part of the BBA, LL.B. (Hons.) Program, while the Law Subjects include Law of Torts, Constitutional law, Criminal law, Civil wrongs, Administrative law, Company law, Property law, Family law, Alternate Dispute Resolution, and so on.

**B.A., LL.B. (Hons.):** The Bachelor of Arts and Bachelor of Law (Honors) is a undergraduate program with a multi-disciplinary approach to cater to the requirement of the field of law including litigation, judiciary, academia, corporate legal consultation, immigration, public international law and private international law, policy engagement et cetera. The students of this integrated course will also learn the subjects of liberal arts such as English, History, Sociology, Political Science, besides Law & Economics. This program provides a strong background to step into Indian Administrative Services too

**B.Tech., LL.B. (Hons.):** It is a six-year integrated and industry-backed dual-degree program that seeks to fill the demand gap for engineers, who shall also have expertise in law; thereby embracing the future with a new breed of professionals in the legal-tech domains. This pioneering program uniquely combines engineering principles with legal knowledge to address the emerging challenges of technologies like AI, blockchain, cryptocurrency, and data science. This interdisciplinary approach equips students with the technical expertise and legal acumen necessary to navigate the complex landscape of these technologies. The curriculum is designed to provide a balanced education, covering core subjects in technology, such as computer science, information technology, and engineering principles, alongside essential legal studies, including constitutional law, contract law, intellectual property law, and dispute resolution. This interdisciplinary approach fosters critical thinking, analytical skills, and a nuanced understanding of how technology impacts legal frameworks.
